<p>By signing this application, I hereby attest that I am duly authorized to sign and act on behalf of applicant school/organization (hereinafter referred to as "school"). I certify that our school has developed a plan to safely reopen for in-person instruction and that all information contained within the reopening plan and this application are true to the best of my knowledge. I certify that our school has consulted with labor, parent, and community organizations impacted by our school's decision to reopen for in-person instruction. I acknowledge that I remain responsible for implementing all measures described in our school's reopening plan and that our school will immediately notify Sacramento County Public Health of an outbreak of COVID-19 (3 or more cases) among school students, teachers, and/or staff by calling (916) 875-5881. I understand that schools may be advised or ordered by SCPH to close a cohort or an entire campus in the event of an outbreak and that waivers for in-person instruction may be revoked if it is discovered that a school is not implementing COVID-19 prevention measures as described in their reopening plan or if local epidemiological conditions warrant a suspension of in-person instruction.</p>

II. CONSULTATION

Applicants must submit evidence of consultation with labor, parent, and community organizations, including names and dates relevant organizations were consulted **and** the outcome of the consultation. If no labor organization exists, applicants must submit a detailed written description of the process by which school teachers and staff were consulted. Please confirm consultation with the following groups. Include name of organization(s), date(s) consulted, and outcome of the consultation.

■ LABOR ORGANIZATION(S):

We met with our faculty and staff August 6th, 14th & 21st to discuss the strategies of study pods and the research behind the plan. On August 21st we shared the results and findings from the previous week. The August 6th meeting was conducted live and on zoom so that every faculty member to ask questions and have buy-in and feedback to the plan.

■ PARENT ORGANIZATION(S):

We have communicated with families and parents consistently through video and email messages on our strategy with the study pods/cohorts. All of this is documented. The results of both parents and students feedback is recorded and reported back to our stakeholders through surveymonkey.com.

■ COMMUNITY ORGANIZATION(S):

We have shared our study pods/cohort strategy with the Association of Christian Schools International, legal counsel, Member of the Board of County Supervisors, and other private and Christian schools throughout the state of California.

III. REOPENING PLANS

Please confirm that the elementary school reopening plan(s) address the following concepts, consistent with guidance from the California Department of Public Health, and that the plan has been published on the website for the school or its governing organization.

<p>■ CLEANING & DISINFECTION: How shared surfaces will be regularly cleaned and disinfected and how use of shared items will be minimized.</p>
<p>■ COHORTING: How students will be kept in small, stable, groups with fixed membership that stay together for all activities (e.g. instruction, lunch, recess) and minimize/avoid contact with other groups or individuals who are not part of the cohort.</p>
<p>■ ENTRANCE, EGRESS, AND MOVEMENT WITHIN THE SCHOOL: How movement of students, staff, and parents will be managed to avoid close contact and/or mixing of cohorts.</p>
<p>■ FACE COVERINGS AND OTHER ESSENTIAL PROTECTIVE GEAR: How CDPH's face covering requirements will be satisfied and enforced.</p>
<p>■ HEALTH SCREENINGS FOR STUDENTS AND STAFF: How students and staff will be screened for symptoms of COVID-19 and how ill students or staff will be separated from others and sent home immediately.</p>
<p>■ HEALTHY HYGIENE PRACTICES: The availability of handwashing stations and handsanitizer, and how their use will be promoted and incorporated into routines.</p>
<p>■ IDENTIFICATION AND TRACING OF CONTACTS: Actions that staff will take when there is a confirmed case. Confirm that the school(s) have designated staff persons to support contact tracing, such as creation and submission of lists of exposed students and staff to the local health department and notification of exposed persons. Each school must designate a person for the local health department to contact about COVID-19.</p>
<p>■ PHYSICAL DISTANCING: How space and routines will be arranged to allow for physical distancing of students and staff.</p>
<p>■ STAFF TRAINING AND FAMILY EDUCATION: How staff will be trained and families will be educated on the application and enforcement of the plan.</p>
<p>■ TESTING OF STUDENTS AND STAFF: How school officials will ensure that students and staff who have symptoms of COVID-19 or have been exposed to someone with COVID-19 will be rapidly tested and what instructions they will be given while waiting for test results. Describe how staff will be tested periodically to detect asymptomatic infections.</p>
<p>■ ENTRANCE, EGRESS, AND MOVEMENT WITHIN THE SCHOOL: How movement of students, staff, and parents will be managed to avoid close contact and/or mixing of cohorts.</p>
<p>■ TRIGGERS FOR SWITCHING TO DISTANCE LEARNING: The criteria the school officials will use to determine when to physically close the school and prohibit in-person instruction.</p>
<p>■ COMMUNICATION PLANS: How school officials will communicate with students, staff, and parents about cases and exposures at the school, consistent with privacy requirements such as FERPA and HIPAA.</p>
